LOCAL EFFORTS

Our Chicken Farm

Sometime in May 2015, we purchased 18 baby chicks. No one really knew what we were doing, but we found some plastic bins in the Give and Take Room and made these baby chicks a warm little spot so they could grow. Different adults and kids took care of feeding and watering these chickens every day. Many were held and loved. We waited for them to grow and anticipated moving them to their coop.

Give and Take Room – Modeling the Loot

(Wherever we are sitting right now, we have to get it out of our minds that this room is only for poor people. If we all share, we all have more resources to give away. Let's share some loot.)

We brainstormed about how to demonstrate the amazing clothing that is ours for the taking from the Give and Take Room and decided to ask a few community friends to model some of the clothing that they have taken from this amazing share room.

[CHECK OUT](#) how good they look in these shared clothing items. They won't have to use their time or resources to go shopping because they found their clothing in the Give and Take Room.

GLOBAL EFFORTS

The Leadership Experience – Lesotho

Our dear friends, Godfrey and Elizabeth Mosobase, the Directors of The Leadership Experience, Lesotho, were expecting their first baby on October 21, 2015.

We celebrate with them as they announced the birth of gorgeous baby Sophie Bokhabane Mosobase, born October 20, 2015, measuring 2.79kg/6.15lbs and 47cm/18.5in!

Meet Our Newest Staff Member – Ryan Hopson

“At 16, I went on my first mission’s trip to Guatemala and fell in love with not only the people, but the love of Jesus that I felt during my time there. From then on, I knew that all I wanted to do is to help people. Whether it was cook food, or drive them down the street, it meant the world to me to make a difference in someone’s life.

During the month of May 2015, my heart was broken because I had to leave a job that I thought was where God wanted me. God reminded me that He has a plan for my life and not everything I want is always the best fit.” [READ MORE](#)

BETTER TOGETHER

“Just as each of us has one body with many members, and these members do not all have the same function, so in Christ we who are many form one body, and each member belongs to all the others.” Romans 12: 4-5

Our “better togethers” introduce various members of Grace Klein Community and help us understand how our different giftings work together to form one body. We are better together.

Burning the Midnight Oil

George and Michele Mwanza, Directors of [The Leadership Experience](#), are servant leaders, the ones that really do lay down their lives for their friends. Many of you have had the privilege to spend sweet time with Cornelius and Prima Ngosa, also of The Leadership Experience, that oversee the [Beats and Books](#) ministry. But, many of you do not know the directors of this wonderful organization where Cornelius and Prima tirelessly serve. The servant leaders beside the Ngosa Family are George and Michele.

Never too Busy to Love

Do you have a fun, vivacious, high energy, creative redhead in your life? If your answer is no, maybe you haven't met a huge asset of Grace Klein Community, the lovely Rebekah Crossman.

Before Grace Klein Community became an official non-profit, Rebekah Crossman was one of the volunteers that initially believed a community of friends loving friends really could make a difference. Her belief in early church ideals, of your plenty meeting my need so that in turn my plenty would meet your need, propelled her to become an active member of Grace Klein Community.

Hit Share

Sometimes all you need is a friend to invite you one time, and that changes everything. The Varvoutis family invited the Eaker family to come along for a Saturday [food delivery](#) and they never stopped coming.

Shane and Mitzi had been praying and looking for ways to serve with their boys and monthly food delivery was the perfect fit for their family.
