# Q2 REPORT

Sharing Resources to Build Relationships  
to **Ignite Restoration** in Individuals,  
Families, and Communities

## A MESSAGE FROM OUR *Founder*

Jesus said in Matthew 17:20, "For truly, I say to you, if you have faith like a grain of mustard seed, you will say to this mountain, 'Move from here to there,' and it will move, and nothing will be impossible for you." When I received the status report on our January through April numbers, I saw the mountain, but today, I am reminded of the faith in us to move the mountains. Today, I envision a mountain moving.

Say yes through your financial and in-kind giving. If you have not given in 2024, grab your phone or your checkbook and do what you can. \$2, \$2,000, or \$20,000 are all valuable to our day-to-day operations, and the power of a compounding yes will unfold. I call this phenomenon "Jesus math." He works differently when faith is stirred in.

We anticipate serving over 13,000 children through summer camp programs. Numerous companies have already committed to collecting school supplies for our Back-to-School Giveaway. I have personally had incredible Jesus conversations with volunteers and staff. My own home is bustling every single night with young adults, and we have started playing pickleball. Let us know if you want to join "The Pickle Jar" WhatsApp group. Every day, our team is focused on building meaningful relationships through the sharing of resources as we expect restoration for our communities.

Nine Birmingham businesswomen will be traveling to South Africa together from July 27 to August 14, 2024, to intentionally invest in women across generational, racial, social, and economic divides to inspire unity through Jesus. We will then bring back our ideas to replicate in our communities. We welcome your support by notating Empowering Women on your donation.

Join us for a tour and lunch at our FeedBHM Hub at 2701 Morgan Rd, 35022, any time from 9 AM to 5 PM, Monday through Friday. We would love to show you firsthand why your support matters.

Say yes with us,

♥ Jenny Weetman

“I believe the positive impact GKC makes on the community is beyond measure. Volunteering by rescuing food is something so small I can help with yet so rewarding and fulfilling, not to mention all the wonderful friends I've made along the way.”
